FREE AND APPROPRIATE PUBLIC EDUCATION

The GSCS Board of Education guarantees the right to a free and appropriate education for all school age person regardless of disability.

EQUAL EDUCATIONAL OPPORTUNITIES

It shall be the policy of the Board that no student shall be denied the benefit of any education program or educational activity on the basis of race, color, national origin, age, sex, disability, limited English proficiency, immigrant status, migrant status or homeless status. A free and appropriate education is available to all students with disabilities. It shall be the policy of the GSCS Board that barriers to enrolling and retaining students with limited English proficiency, homeless status, migrant status, and immigrant status shall be removed, including but not limited to, the denial or delay of enrollment of such students due to lack of birth certificate, lack of school records or transcripts, lack of immunization or health records, lack of proof of residency, lack of transportation or guardianship or custody requirements.

PARENT RESPONSIBILITY

Parents/legal custodians and guardians are responsible for the child's attendance and conduct in school. Under Alabama Law, parents/guardians who fail to compel their child to regularly attend school or fail to compel their child to properly conduct himself or herself as a student in accordance with the written policy on school behavior are subject to sanctions or truancy hearings. Our parents/legal custodians and guardians are required to read and share with their child the Gulf Shores City Schools Parent and Student Handbook. The GSCS Code of Conduct can be found on the city school's website at gsboe.org. The parent/legal custodian and guardian confirms that they have read the handbook during the online registration process.

PARENT EXPECTATIONS

As the parent is a child's first teacher, the parent should obey local, state, and national laws and should hold him/herself to high ethical and moral standards. They should be supportive of the local Board of Education and its employees who act in the public trust. This support should involve participation in the provision and maintenance of a high-quality instructional atmosphere in each of the city schools.

STUDENT RIGHTS

Students' rights are:

- To be informed of Gulf Shores High School's rules and policies

- Retain privacy of personal possession unless school personnel have a reasonable suspicion to believe the student possesses an item which is prohibited by the law or local board of education policy.
- Expect a conducive learning environment

STUDENT RESPONSIBILITY

The student's responsibility is to follow the school rules set forth in this handbook and the Gulf Shores City School's Code of Conduct. All students are expected to follow staff member's direction, arrive to school on time, be prepared to learn and participate in class. Most students never have any problem if they do what they know is right. A few individuals, however, invariably commit acts that cannot be ignored. It would be impossible to make a list covering all possible acts that interfere with the orderly educational process that is essential to effective learning. The disposition of some incidents not listed must, therefore, be left to the discretion of school officials. Repeated offenses may result in additional corrective actions. The school's rules and procedures are designed to allow students to be educated in a safe and orderly environment.

BEHAVIORAL EXPECTATIONS

School wide/Classroom - At Gulf Shores High School, we have high expectations of all of our students. All students are responsible for their own behavior. • All students can respect the rights and property of others. • Students' behavior will not be allowed to interfere with the teaching/learning process.

Hallways - Walk quietly down the right side of the hall.

Cafeteria - Walk and talk quietly at all times. • Use good table manners. • Respect lunchroom personnel. • Clean up after yourself.

Ani-bullying - We will not bully others. • We will try to help students who are bullied. • We will try to include students who are left out. • If we know that somebody is being bullied, we will tell an adult at school or an adult at home. • Students should report bullying to the adult on duty right when it happens. What is bullying? • Bullying is repeated, unwanted, aggressive behavior that involves a real or perceived power imbalance.

Field Trips and Extracurricular Events - High expectations of GSHS student behavior extends off campus when it is a school related event, such as a field trip or sports event. All students are responsible for their own behavior and must remember that their behavior reflects on all of us. All students should respect the rights and property of others and be courteous and kind at all times.

School Wide Policies - We feel that learning can best take place in an atmosphere free from disruptive behavior. Each student must learn to accept responsibility for his or her own behavior with the full awareness of the consequences. We solicit your assistance toward our goal so that each child has a successful experience each day. We ask that each student show respect for the property of others, no matter how small.

POLICIES AND PROCEDURES

BUS CONDUCT

While the Board offers, as needed, a system of student transportation, it also requires parents of students to accept responsibility for supervision until the child boards the bus in the morning and after the child leaves the bus at the end of the school day. Students must obey all instructions given by the driver and all school and Board policies while riding the bus. Students cannot leave the bus except at their regular stop without written permission from a parent and an administrator. Only at the time that a child boards the bus does he/she become the responsibility of the school district. Such responsibility shall end when the child is discharged at the regular bus stop at the end of the school day. When a child does not conduct himself properly on a bus, the bus driver will write a referral or bring him/her to the building principal, who may inform the parents of the misconduct and behavior. The principal or his designee will also discipline students as deemed appropriate. **A child who becomes a serious disciplinary problem on the school bus may have his transportation privileges suspended or terminated.** In such cases, the parents of the child involved will become responsible for transporting their child to and from school.

CAFETERIA

Good manners and cleanliness are required of all. Running to get in the lunch line is not appropriate; students must wait their turn without pushing, breaking line, or passing others. Students will be responsible for purchasing all food items obtained in the cafeteria. After eating, students must pick up plates and other trash and return them to the designated trash containers.

CHECK-IN AND CHECK-OUT PROCEDURE

Excessive absences from school and/or classes have a direct negative impact on the academic success of our students. In a continued effort to minimize the number of absences students accumulate, late arrivals and early dismissals are strongly discouraged. Every effort should be exercised to keep the student in school for the entire day. Excessive check-ins or outs may result in additional measures being taken.

All check-ins and check-outs will be done through the office. Students will not be admitted to class without an admission slip and must present it the following day to teachers whose classes were missed. Students must checkout through the office and receive an exit slip prior to leaving. Students can have a maximum of 3 check in and 3 check out parent notes per semester to be excused.

Check-ins and early dismissals must be approved by office personnel and will be coded as excused or unexcused. If a check out is necessary, these procedures will be followed:

Gulf Shores High School Student Handbook 2022-2023

- A note signed by the parent must be presented and the parent/guardian will be called by office personnel to inform them of the early dismissal.

OR

- The parent/guardian should come to the office and check out the student personally.

Students are not allowed to check out and leave with another student who is driving an automobile. Students checking out and leaving with another student's parent or guardian must have prior written permission from his/her own parent/guardian and approval by an administrator.

Only an excused check-in or check-out slip will permit classwork to be made up. In all other cases, students will receive a zero for missed work. An early dismissal day requires attendance for the entire day (no check-ins or check outs). Students will not be penalized for missing class while on a school-sponsored activity and will be allowed to make up work missed and will be counted present in class. Should a student become ill at school, every effort will be made to contact the parent/guardian. A student who becomes ill at school must report to the nurse's office.

ATTENDANCE POLICY

Parents are required to explain all absences in writing **within 3 days of the student's absence**. An excused absence permits work to be made up and are as follows:

1. Student Illness
2. Inclement weather (as announced by the Superintendent)
3. Legal Quarantine
4. Death in the immediate family
5. Absence to observe traditional religious holidays, when verified by the student's religious leader or minister.

Students are allowed 4 parent notes for sickness per semester. All other absences will require a doctor's excuse.

EARLY WARNING

The Alabama Compulsory School Attendance Law (Sec. 16-28-3) requires children between the ages of six and seventeen to enroll and attend school. Alabama Code Section 16-28-12 was amended to require any parent/guardian who enrolls a student in school will be responsible for the child's attendance and conduct.

Schools will follow the following protocol when absences occur:

1. First Truancy/unexcused absence
Warning: Parent/Guardian will be notified via automated phone call informing them reminding them to bring in an excuse.
2. Second Truancy/unexcused absence
Written Notification – Letter with legal notice of State of Alabama truancy laws and notifying them of future actions if trancies. continue.
3. Seventh Truancy/unexcused absence
Early Warning Program at City Court – Certified Letter mailed to parent.
4. Tenth Truancy/unexcused absence
Formal truancy petition filed

SICK DAY EXCLUSION

Gulf Shores City Schools Sick Day Exclusions

Certain symptoms in children may suggest the presence of a communicable disease. Excluding an ill child may decrease the spread of the disease to others in the school settings. The decision to send your child home should he/she becomes sick at school will be made on an individual basis based on the school nurse's professional judgment. Recommended exclusion varies by the disease or infectious agent. SCHOOL NURSE AND MEDICATION

The goal of the school regarding administration of medication is to assist students in maintaining an optimal state of wellness, thus enhancing the educational experience. In regard to both over the counter and prescription medication, students are prohibited from having either on his/her person.

- **Parent's Responsibility** The parent/guardian and physician must sign the Alabama State Department of Education School Medication Prescriber/Parent Authorization form granting permission for a child to receive prescription medication at school. The parent/guardian must provide the school with medication that is in a correctly labeled prescription bottle container (which includes student's name, prescriber's name, name of medication, strength, dosage, time interval, route, and date of drug's discontinuation when applicable). Medications will only be accepted in the original container. Medications received in a zip lock bag or not in the original container **will not be given** and parents will be contacted to pick up medication. The parent/guardian must provide the school with a new, signed prescriber/ parent authorization form at the beginning of each school year and/or before any prescription medication can be given at school. This consent form authorizes school personnel to assist students with medication. If the medication order is changed during the school year (e.g., change in dosage), an additional prescriber authorization/order is necessary. The parent/guardian or the parent designated responsible adult must deliver all medication to the school nurse or other school personnel as designated by the principal. The parent/guardian shall pick up student's unused medication (when the medicine is completed, out of date, or at the end of the school year). The school nurse or designated school personnel will destroy medications not picked up by the parent/guardian in a timely manner. The parent/guardian shall provide nonprescription medication in an original, unopened, sealed container of the drug, identifying the medication and the entire manufacturer's labeling plus the student's name (written legibly on the container). Please provide medication, such as Tylenol, in smallest container available, to Mrs. April Barnett, at (251) 968-4747.
- **Student's Responsibility** - Students must not deliver medications to the school. Students must have a signed order/authorization from a licensed prescriber and signed parent/guardian permission to self-medicate and carry medications on their person (i.e., Epi Pen, asthma inhalers, insulin). Students who have met the criteria to self-medicate will be able to identify and select the appropriate medication, know the frequency and purpose of the medication ordered, and follow the school's self-administration procedures (e.g., safety and security precautions, proper labeling). Students will notify their teacher/nurse at the onset of any distress or allergic reaction.
- **Nurse's Responsibility** - Screening programs include vision and hearing screening in grades kindergarten and second and scoliosis screening is provided in grades 5-9 (ages 11-14), as mandated by state law. Various health education programs are provided annually. Special emphasis is given to "hand washing" and "cough and sneeze etiquette" programs. Individualized Health Care Plans and/or Emergency Action Health Care Plans are developed for all students with chronic health care conditions. In order for a student to receive prescription medication at school, the parent/guardian and physician must sign the ALSDE School Medication Parent/Prescriber Authorization form granting permission to the School Nurse to administer the medication. The delegating registered school nurse must evaluate and approve all over-the-counter medicines and parent instructions. The parent or guardian shall deliver all medication to the school nurse in the original container with clear, current instructions. Should you have questions or concerns regarding this information, please contact our school nurse, Mrs. Melissa House, at 251-968-4747. The school nurse will provide treatment of minor injuries. If your child has or develops a temperature of 100F or

higher, or complains of vomiting and/or diarrhea, you will be contacted to pick up your child from school. Please evaluate your child's complaints before sending him/her to school. Children need to stay at home when they are sick.

SPECIAL EDUCATION

Eligibility for special education and related services is based on a referral, diagnosis, and the state-wide placement process. To meet the needs of children with disabilities certified special education teachers and related service personnel provide services for these children. Anyone can make a referral for special education services regarding a particular student to the PST or you may contact the Special Education Director, Mrs. Connie McNab at 251-968-8719.

ON-CAMPUS SUSPENSION PROGRAM

The Gulf Shores Board of Education shall maintain an on-campus suspension program as necessary to provide a structured disciplinary atmosphere in which a student is isolated or removed from regular classroom activities but is not dismissed from the school setting.

OCS PROCEDURES:

1. The student will be given class-related assignments by regular classroom teachers and expected to complete the assignments.
2. An assigned period of days will be given to the student. The student will not be counted absent from class while in OCS. The student will be able to make up any work missed in his regular classes.
3. OCS can be extended if assignments are not completed. Makeup work missed during the extension of OCS is not allowed.
4. Lunch/break will be scheduled at times when OCS students will be unable to associate with other students.
5. While in OCS, a student will be allowed to participate in any extracurricular activities.
6. Students assigned to OCS will not be allowed to attend any assemblies, pep rallies, or other special programs that are held on the school campus during the school day except with administrative permission.
7. Teachers may send tests for the student to take during OCS or allow the student to make up tests upon return to class at the end of OCS.

OCS RULES:

- The student must report to OCS with all materials.
- If a student is absent, sick, or checks out, OCS time will be made up.
- OCS students may not talk, must stay in their seats, and be occupied at all times. If a student finishes all assignments, the OCS instructor has permission to assign additional work.
- Students will not be allowed to leave the room to attend class or for any other reason unless authorized by the OCS instructor or an administrator.
- Any student written up by the OCS instructor for being disruptive or displaying inappropriate behavior will be disciplined as determined by the administration.
- Students may not have their phones while in OCS.

LIBRARY

The library is available for students from 7:30 – 3:30 every day. Students are encouraged to visit the library but are expected to maintain high standards of conduct that result in an atmosphere conducive to study. The library is an attractive area that has been provided for your work and pleasure. Please help maintain the library by keeping your area clean. Food and drinks are not permitted in the library. Place all discarded materials in the trashcans and return any books, magazines, and newspapers to their proper place.

MAKEUP WORK/TESTS

Makeup work/tests will be administered to students whose absences were due to reasons coded as “excused” according to policy. Students will have a maximum 3 days upon return to school to complete makeup work. It is the student’s responsibility to see the teacher to discuss arrangements for makeup tests. If a student has an excused absence prior to a test, the student should be given time to get materials missed before taking the test.

PARENT – TEACHER CONFERENCES

Parents are invited and encouraged to visit the school; however, visits during the school day should be cleared through the office. Parent-teacher conferences are most important in improving the learning atmosphere. Conferences with teachers must be scheduled before or after school or during the teacher’s planning period. Parents are reminded that teachers cannot be called from class on the spur of the moment to discuss a student’s status. Conferences are to be scheduled with the individual teacher via note, e-mail, or phone call.

POLICY TO RECLAIM HIGH SCHOOL CREDIT

Students who fail a course are strongly encouraged to make-up the course in summer school or to consult with the counselor to discuss their options.

PROM

Outside date applications will be available in the front office and on the school website a few weeks before prom. You must turn in a copy of your outside date’s driver’s license or other official photo ID (with birth date) along with the signature of your date. Be advised, it will take you a little time to complete all of the requirements. It takes several days for approval, so those turned in during the last several days will have to pay the higher price for invitations. Gulf Shores High School students will have to present their prom ticket/invitation at the door. Outside dates will have to present the same ticket/invitation and ID used for approval of their application. Parents are welcome for the call outs and are expected to leave the premises after the crowning of the Prom King and Queen. Crowning of the Prom King and Queen will occur immediately after call outs. The students selected for the court must be present to receive the honor. If the winner is not present, then the person with the next highest number of votes will receive the honor.

****ALL GSHS sponsored dances will adhere to the outside date procedure.**

Authorized personnel may approve usage during medical emergencies, natural disasters, or before/after school hours. School officials may read, examine, or inspect the contents of any such device upon reasonable suspicion that the device contains evidence of an actual violation of the law, of Board policy, the Student Code of Conduct, or other school rules, provided that the nature and extent of such examination shall be reasonably related and limited to the suspected violation.

Students are not permitted to have personal devices connected to the school's internet.

The possession of a digital device (including but not limited to cell phones, tablets, cameras, or other telecommunication devices capable of capturing or relaying information) is strictly prohibited during the administration of a secure test. If a student is observed in possession of a digital device during the administration of a secure test, the device will be confiscated. If a student is observed using a digital device during the administration of a secure test, testing for the student will cease, the device will be confiscated and is subject to search. The student will be dismissed from testing, and the student's test will be invalidated. Local education agency (LEA) personnel will make all students, parents, and/or guardians aware of this prohibition through inclusion of this policy in the Student Code of Conduct Handbook and other regularly used modes of communication.

It would be impossible to compose a list covering all possible acts that interfere with the orderly educational process that is essential to effective learning. The disposition of some incidents not listed must, therefore, be left to the discretion of school officials. Repeated offenses may result in additional corrective actions. Administration reserves the right to adjust consequences if deemed necessary.**

Alternative School exists on GSHS campus and is used in cases when previous consequences have not been successful, or the behavior warrants it. Students will continue a quality education while in alternative placement. A meeting with parents and intake forms will be completed upon recommendation of alternative placement.

Alabama State Department of Education Digital Device Policy for the Alabama Comprehensive Assessment Program (ACAP) Testing

Each local education agency (LEA) shall have in place a *School Test Security Plan* for each school that includes a digital device collection plan for both school personnel and students who will participate in the ACAP. This collection shall take place **prior to entering the testing room** for both school personnel and students.

For the purposes of this policy, digital devices are defined to include anything that can capture, store, relay, or receive electronic information. This includes, but is not limited to, the following: laptops, smart phones, smart watches, fitness trackers, MP3 players, and tablets. Additionally, classroom computers must be powered off during testing. Exceptions to this policy include any digital device that is medically necessary for the health and/or well-being of school personnel or students. All exceptions must be pre-approved in writing by the Building Test Coordinator or the school Principal by completing the *Digital Device Exception Request* form.

LEAs shall make all school personnel and students participating in the ACAP, parents, and/or guardians aware of this prohibition through inclusion of this policy in the employee handbook, the Student Code of Conduct Handbook, and may also publicize this policy through other normally accepted methods.

STUDENT POLICY:

Students shall not **possess** any digital device within the testing room when participating in ACAP testing. **The possession of a digital device by students participating in ACAP testing is strictly prohibited during the administration of a test.** The **ONLY** exception to this policy is for students who have been pre-approved by the Building Test Coordinator or the Principal to have a digital device that is necessary for the health and/or well-being of the student.

If students are in **possession** of a digital device that is within their reach during the administration of an ACAP test, the device will be confiscated and, if the appropriate administrator determines that there is reasonable suspicion that the device was used to capture, record, or share test information or to facilitate cheating on the test, it may be subject to search pursuant to LEA policy for any information directly related to the ACAP test being administered. Additionally, the student will be dismissed from testing immediately and the test may be invalidated in accordance with ACAP policy. **Violation(s) may result in disciplinary action by the LEA in accordance with the LEA's disciplinary policy.**

Principal's Acknowledgement

By signing, I am affirming that I will ensure, to the best of my ability, that students at my school who participate in ACAP testing will be aware of this policy.

OFF-CAMPUS LUNCH PROGRAM

The Off-Campus lunch program is a privilege offered to eligible 11th and 12th grade students in good academic standing at Gulf Shores High School (“GSHS”). The following requirements shall apply to all students leaving campus under this program. It is the sole responsibility of the undersigned student and parent/guardian to comply with the following program requirements:

1. Eligible students and their parent/guardian are required to complete the attached application/waiver and return it to school for administrative review.
2. In the event of approval, students will be given an off-campus lunch pass that must be on display on the front, bottom, left corner of the windshield of the student’s car at all times.
3. In order to leave campus for lunch, eligible students must be able to present their lunch pass to any administrator or staff member checking passes. Any violations regarding departure procedures may result in revocation of the student’s lunch pass.
4. Students leaving campus for lunch are not permitted to bring food back on campus. This includes food for themselves or for other students.
5. The students and their parent/guardian are solely responsible for where the student goes for lunch. GSHS is unable to monitor student conduct while off-campus and assumes NO responsibility or liability for any student activity, including accidents or injuries, occurring during the exercise of off-campus pass privileges.
6. Student drivers are responsible for driving safely and are not allowed to have passengers when leaving campus for lunch. Any student who drives recklessly and/or provides transportation for other students during lunch may lose his/her pass and any parking privileges.
7. Tardiness or failure to return to class after lunch may result in the revocation of the lunch pass privilege.
8. Students with off-campus lunch privileges must remain in good academic, behavioral and attendance standing in order to maintain off-campus privileges. Those not meeting the criteria for this privilege will have the off-campus lunch privilege suspended or revoked.
9. Off-campus lunch is a privilege, not a right. If the privilege is revoked, there is no right of appeal.
10. Students that misplace their off-campus lunch sticker may purchase another one for \$10 only once. Students that misplace their pass for a second time will not be able to leave for lunch in the future. Students must have registered for and received permission to park on the GSHS campus in order to be eligible for off-campus lunch privileges.
